**6 August 2008**

### **ANU CONNECT VENTURES MOVES TO 15 LONDON CIRCUIT, CANBERRA**

ANU Connect Ventures has relocated to Suite 1, Level 8, 15 London Circuit, Canberra, ACT 2600. Please note our new telephone and fax numbers. Tel: 02-6247 7000 Fax: 02-6248 8000.

**About ANU Connect Ventures** ANU Connect Ventures manages a \$30 million pre-seed investment fund of the ANU-MTAA Super Venture Capital Partnership, established with the support of the ACT Government to invest in early-stage commercial opportunities arising out of research at the ANU and other ACT-based research institutions and R&D companies. ANU Connect Ventures will consider pre-seed/seed investments of up to \$500,000 per enterprise. Funds will ordinarily be provided in two or more tranches against measurable and meaningful milestones. The fund will invest in any industry sector, including the pharmaceutical, biotech and health care sector, ICT, advanced materials, space, defense and energy industries.

**About our Investee Companies** Currently ANU Connect Ventures' portfolio consists of five investee companies and two proof-of-concept projects.

*Cryptopharma Pty Ltd* – a Biotech company specialising in steroidal and non-steroidal anti-inflammatory agents

*Warm Contact Pty Ltd* – an Electrical Engineering company specialising in eye care products

*Dosimetry & Imaging Pty Ltd* – a Material Sciences and Medical Devices company specialising in dosimetry and detection radiotherapeutic uses of radiation

*Savine Therapeutics Pty Ltd* – a Biotech company specialising in vaccines targeting cell-mediated immunity

*Synergetic Services Pty Ltd* – an IT company developing a software solution for real time loan procurement for the personal loans market

---
